

Appendix C

Marine Protected Areas

MPA Site Name	MPA Description	MPA Restrictions of Interest to Mariners		MPA Management Approach										Managing Agency and Contact Information	
		Navigation		Fishing		Conservation/ Management Focus			Level of Protection						
		Vessel Traffic	Anchoring	Commercial Fishing	Recreational Fishing	Natural Heritage	Cultural Heritage	Sustainable Production	Uniform Multiple Use	Zoned Multiple Use	Zoned (No Take Areas)	No Take	No Impact		No Access
Offshore Lobster Waters	Large area from U.S./Canada border to Cape Hattaras, NC, and inclusive of area between ~60 nm offshore, out to EEZ edge.			▲	▲	●		●	●						National Marine Fisheries Service, Headquarters 301-713-2379 NE Regional Office 978-281-9300
Southern Mid-Atlantic Waters Closure Area	Bounded by DE shoreline at 38°47'N extending E to 72°30'W, then due S to 33°51'N, then W to the NC/SC border. Designed to protect harbor porpoise.			▲	▲	●		●	●						National Marine Fisheries Service, Headquarters 301-713-2379 NE Regional Office 978-281-9300
Southern Nearshore Lobster Waters	Located in State and Federal waters from Long Island to Cape Hattaras and offshore ~60 nm.			▲	▲	●		●	●						National Marine Fisheries Service, Headquarters 301-713-2379 NE Regional Office 978-281-9300
Other Northeast Gillnet Waters Area	Large area off Mid-Atlantic and New England not otherwise part of anchored gillnet restricted area. Includes most of Gulf of Maine, shallow water area along Georges Bank, and deeper water area south of Georges Bank. In Mid-Atlantic, only contains area E of 33°51'W.			▲		●		●							National Marine Fisheries Service, Headquarters 301-713-2379 NE Regional Office 978-281-9300
Charleston Bump Closed Area	Portion of EEZ from south of NC to south of GA, near Jekyll Island. Surrounds a bathymetric seafloor rise from 2300 to 1000 feet at ~32°44'N and 78°06'W.			▲				●	●						National Marine Fisheries Service, Headquarters 301-713-2379 NMFS Office of Highly Migratory Species 727-824-5399
Oyster Management Areas	Several areas established by Virginia for shellfish management purposes.	X	X	▲	▲			●	●						Virginia Marine Resources Commission 757-247-2200
Shellfish Management Areas	Several areas established by Virginia for oyster management purposes.	X	X	▲	▲			●	●						Virginia Marine Resources Commission 757-247-2200
Shellfish Prohibited Areas	275 prohibited areas found throughout the North Carolina coast in rivers, bays, and sounds.			▲	▲			●	●						NC Dept of Environment and Natural Resources, Division of Marine Fisheries 252-726-7021
Trawl Nets Prohibited Areas	Trawl net prohibited areas are located in many bays and river areas along the NC coast. Includes 25 separate areas.			▲	▲	●		●	●						NC Dept of Environment and Natural Resources, Division of Marine Fisheries 252-726-7021
Restricted Gill Net Areas (permanent)	Numerous North Carolina protected areas within many rivers, bays, and sounds along the North Carolina coast.			▲		●		●	●						NC Dept of Environment and Natural Resources, Division of Marine Fisheries 252-726-7021
Restricted Gill Net Areas (seasonal)	Numerous North Carolina protected areas within many rivers, bays, and sounds along the North Carolina coast.			▲		●		●	●						NC Dept of Environment and Natural Resources, Division of Marine Fisheries 252-726-7021
Mechanical Harvesting of Oysters Prohibited Areas	12 areas in North Carolina state waters that affect methods of harvesting oysters.			▲	▲	●		●	●						NC Dept of Environment and Natural Resources, Division of Marine Fisheries 252-726-7021
<div><div>▲</div>Restricted – Activities that are fully or partially allowed and may have specific regulations or restrictions</div> <div><div>■</div>Prohibited – Activities that are not allowed unless authorized by permit</div> <div><div>●</div>Applicable to this MPA</div> <div><div>X</div>Data not available</div>															

MPA Site Name	MPA Description	MPA Restrictions of Interest to Mariners						MPA Management Approach								Managing Agency and Contact Information
		Navigation		Fishing		Conservation/ Management Focus			Level of Protection							
		Vessel Traffic	Anchoring	Commercial Fishing	Recreational Fishing	Natural Heritage	Cultural Heritage	Sustainable Production	Uniform Multiple Use	Zoned Multiple Use	Zoned (No Take Areas)	No Take	No Impact	No Access		
Primary Nursery Areas	345 separate areas located in uppermost sections of estuaries along the the North Carolina coast.			▲	▲			●	●						NC Dept of Environment and Natural Resources, Division of Marine Fisheries 252-726-7021	
Secondary Nursery Areas	32 separate areas located in middle and lower portions of estuaries along the North Carolina coast.			▲	▲			●	●						NC Dept of Environment and Natural Resources, Division of Marine Fisheries 252-726-7021	
Special Secondary Nursery Areas	29 areas adjacent to Secondary Nursery Areas, but closer to open water.			▲	▲			●	●						NC Dept of Environment and Natural Resources, Division of Marine Fisheries 252-726-7021	
Outstanding Resource Water Areas	13 areas along the North Carolina coastline that deal chiefly with water discharges from onshore sites, but may have rules affecting fishing.			▲	▲	●			●						NC Dept of Environment and Natural Resources, Division of Marine Fisheries 252-726-7021	
Oregon Inlet Crab Spawning Sanctuary	Located in Oregon Inlet, near Bodie Island and Pamlico Sound.			▲	▲	●			●						NC Dept of Environment and Natural Resources, Division of Marine Fisheries 252-726-7021	
USS Huron Historic Shipwreck Preserve	Located 750 feet from Nags Head Beach, in 8-20 foot depths; Shipwreck bounded by 300-foot diameter circle, with centerpoint located at midship.			■	▲		●		●						NC Dept of Cultural Resources 919-807-7385; Underwater Archaeology Branch 910-458-9042	
Flynet Closure	Located between 3 and 40 miles off North Carolina, extending from Cape Hatteras to the South Carolina state line.			▲	▲			●	●						Atlantic States Marine Fisheries Commission 202-289-6400	
Cape Hatteras National Seashore	Extends 150 feet offshore on Pamlico Sound side, except is variable on Bodie Island. Boundaries include ~100 nm² on islands of Chicamacomico, Ocracoke, Bodie, Roanoke, and Collington.	▲		▲	▲	●			●						National Park Service HQ 202-208-6843; Regional Office 404-331-5711 ----- On-Site Info: 252-473-2111	
Monitor National Marine Sanctuary	Consists of vertical water column 1 mile in diameter from surface to seabed, the center of which is at 35°00'23"N and 75°24'32"W.	✖	▲	▲	✖		●		●						National Marine Sanctuaries Headquarters Office 301-713-3125 ----- On-Site Info: 757-599-3122	
Hatteras Inlet Crab Spawning Sanctuary	Located in Hatteras Inlet, near Hatteras Island and Pamlico Sound.		▲	▲		●		●	●						NC Dept of Environment and Natural Resources, Division of Marine Fisheries 252-726-7021	
Ocracoke Inlet Crab Spawning Sanctuary	Located in Ocracoke Inlet, near Ocracoke Island and Pamlico Sound.		▲	▲		●		●	●						NC Dept of Environment and Natural Resources, Division of Marine Fisheries 252-726-7021	
Drum Inlet Crab Spawning Sanctuary	Located in Drum Inlet, near Core Banks and Core Sound.		▲	▲		●		●	●						NC Dept of Environment and Natural Resources, Division of Marine Fisheries 252-726-7021	
Cape Lookout National Seashore	Includes waters 150 feet from MLW on outer banks of Carteret County, North Carolina, between Ocracoke Inlet and Beaufort Inlet.	▲		▲	▲	●			●						National Park Service HQ 202-208-6843; Regional Office 404-331-5711 ----- On-Site Info: 252-728-2250	
<div>▲ Restricted – Activities that are fully or partially allowed and may have specific regulations or restrictions</div> <div>■ Prohibited – Activities that are not allowed unless authorized by permit</div> <div>● Applicable to this MPA</div> <div>✖ Data not available</div>																

MPA Site Name	MPA Description	MPA Restrictions of Interest to Mariners				MPA Management Approach								Managing Agency and Contact Information	
		Navigation		Fishing		Conservation/ Management Focus			Level of Protection						
		Vessel Traffic	Anchoring	Commercial Fishing	Recreational Fishing	Natural Heritage	Cultural Heritage	Sustainable Production	Uniform Multiple Use	Zoned Multiple Use	Zoned (No Take Areas)	No Take	No Impact		No Access
Bardens Inlet Crab Spawning Sanctuary	Located in Bardens Inlet, near Shackleford Banks and Core Sound.			▲	▲	●		●	●						NC Dept of Environment and Natural Resources, Division of Marine Fisheries 252–726–7021
Mackay Island National Wildlife Refuge	Located in Virginia and North Carolina; marine areas on S end of Back Bay and Barley’s Bay, and on N end of Currituck Sound.	X	X		▲	●		●	●						FWS HQ 202–208–6843, FWS Regional 404–679–4000 ----- On-Site Info: 252–429–3100
Albemarle Sound Herring Management Area	Located on the northeast coast of North Carolina, includes Albemarle Sound, Currituck Sound, Roanoke Sound, and Croatan Sound.			▲		●		●	●						NC Dept of Environment and Natural Resources, Division of Marine Fisheries 252–726–7021
Swanquarter National Wildlife Refuge	Located on Pamlico Sound in North Carolina.	X	X	X	X	●		●	●						FWS HQ 202–208–6843, FWS Regional 404–679–4000 ----- On-Site Info: 252–726–4021
Queen Anne’s Revenge	Located near Beaufort Inlet, 1.2 miles off Fort Macon, in 22-25 foot depths. Shipwreck artifacts encompass area 150 by 50 feet.		■	■	▲	●	●		●						NC Dept of Cultural Resources 919–807–7385; Underwater Archaeology Branch 910–458–9042
Sea Turtle Sanctuary	Located adjacent to Onslow County, running from Bogue Inlet to New River Inlet.			▲	▲	●			●						NC Dept of Environment and Natural Resources, Division of Marine Fisheries 252–726–7021
Charleston Harbor Wildlife Sanctuary	Located in Charleston County.	▲	▲		▲	●				●					SC Department of Natural Resources, Marine Resources Division 843–953–9300
Fort Sumter National Monument	Sumter Island and surrounding area located at Charleston Harbor mouth, ~3 miles E of Charleston. Boundaries include 122.5 acres of submerged land surrounding island.	▲		■	▲		●		●						National Park Service HQ 202–208–4621; Regional Office 404–562–3327 ----- On-Site Info: 843–883–3123
Cooper River Heritage Dive Trail	River stretch ~2 miles in length, and located N of Charleston.	▲	■				●		●						SC Institute of Archaeology & Anthropology 803–777–8170
Ashepoo-Combahee-Edisto (ACE) Basin National Estuarine Research Reserve	Located in central portion of St. Helena Sound. Seaward boundary is COLREGS line, between Edisto Beach headlands and Hunting Island. Northeast boundary includes Edisto River marshes draining west side of Edisto Island and adjacent tidal creeks. North boundary is abandoned Sea Coast Railroad to crossing at Combahee River. West boundary is Wimbee Creek.	▲		▲	▲	●			●						SC Dept of Natural Resources, Marine Resources Division 843–953–9300 ----- On-Site Info: 843–953–9347
ACE Basin National Wildlife Refuge	Two separate units, one along the Edisto River and the other along the Combahee River.	X	X	▲	▲	●		●	●						FWS HQ 202–208–6843, FWS Regional 404–679–4006 ----- On-Site Info: 843–889–3084
Pinckney Island National Wildlife Refuge	Located 0.5 miles west of Hilton Head Island, SC.	X	X	▲	▲	●		●	●						FWS HQ 202–208–6843, FWS Regional 404–679–4006 ----- On-Site Info: 912–652–4415
Georgia’s Offshore Artificial Reefs/Special Management Zones	19 permitted sites, located in EEZ waters but managed by GA; offshore 6-70 miles.			▲	▲			●	●						GA Department of Natural Resources, Coastal Resources Division 912–264–7218
▲ Restricted – Activities that are fully or partially allowed and may have specific regulations or restrictions															
■ Prohibited – Activities that are not allowed unless authorized by permit															
● Applicable to this MPA

MPA Site Name	MPA Description	MPA Restrictions of Interest to Mariners				MPA Management Approach								Managing Agency and Contact Information	
		Navigation		Fishing		Conservation/ Management Focus			Level of Protection						
		Vessel Traffic	Anchoring	Commercial Fishing	Recreational Fishing	Natural Heritage	Cultural Heritage	Sustainable Production	Uniform Multiple Use	Zoned Multiple Use	Zoned (No Take Areas)	No Take	No Impact		No Access
Satilla River Marsh Island Natural Area	Located on the south bank of the Satilla River, approximately 1.5 miles upstream from St. Andrews Sound.					●								●	GA Dept of Natural Resources, Wildlife Resources Division 770-918-6400 ----- On-Site Info: 912-264-7333
Gray's Reef National Marine Sanctuary	Located 17 miles east of Sapelo Island, GA, consisting of ~17 nm². Substrate is calcitic sandstone, with encrusting invertebrates (sponges, corals, etc.). Depth range from 55 to 70 feet. (Regulation changes pending – check with management agency).			■	▲	●	●		●						National Marine Sanctuaries Headquarters Office: 301-713-3125 ----- On-Site Info 912-598-2345
Crooked River State Park	North boundary is Crooked River; East boundary is the salt marsh; south boundary is Kings Bay Naval Base and private property on the west.	X	X	■										●	GA Dept of Natural Resources, Parks, Rec & Historic Sites Division 912-262-3180 ----- On-Site Info: 912-882-5256
Cumberland Island National Seashore	Extends 0.4 km from shore of Cumberland Island.	▲		▲	▲	●							●		National Park Service HQ 202-208-6843; Regional Office 404-562-3100 ----- On-Site Info: 912-882-4336 x254
Fort Clinch State Park Aquatic Preserve	Surrounds Fort Clinch State Park and includes portions of St. Mary's River on north, Amelia River on west, and Atlantic on east, encompassing ~9,000 acres of water. Compromised largely of open waters associated with St. Mary's Inlet, Amelia River, Intracoastal Waterway between FL and GA, salt marsh along Tiger Island, and three mile extension off Amelia Island.				▲	▲	●	●		●					FL Dept of Environmental Protection, Coastal & Aquatic Managed Areas 850-245-2094 ----- On-Site Info: 904-696-5944
Fort Clinch State Park	Located at north tip of Amelia Island, along Cumberland Sound and Atlantic. Bounded on east by ocean, on north by Cumberland Sound, on northwest by Amelia River, and on southwest by Egan's Creek.				▲	▲	●		●	●					FL Department of Environmental Protection, Park Service 850-245-2157 NE Region 352-955-2135 ----- On-Site Info: 904-277-7274
Amelia Island State Recreation Area	Bordered by ocean east, Nassau Sound, on west by Talbot Island, South Amelia River/Intracoastal Waterway on west, and Walker Creek (+ associated marshes) on northwest. Located nine miles south of Fernandina Beach and 30 miles northeast of Jacksonville, just north of Nassau River mouth.				▲	▲	●		●						FL Department of Environmental Protection, Park Service 850-245-2157 NE Region 352-955-2135 ----- On-Site Info: 904-251-2320
Timucuan Ecological & Historic Preserve	An area between St Johns and Nassau Rivers, within city limits of Jacksonville. Encompasses ~46,000 acres.	▲		▲	▲	●			●						National Park Service HQ 202-208-6843; SE Regional Office 404-562-3100 ----- On-Site Info: 904-641-7155

MPA Site Name	MPA Description	MPA Restrictions of Interest to Mariners				MPA Management Approach								Managing Agency and Contact Information	
		Navigation		Fishing		Conservation/ Management Focus			Level of Protection						
		Vessel Traffic	Anchoring	Commercial Fishing	Recreational Fishing	Natural Heritage	Cultural Heritage	Sustainable Production	Uniform Multiple Use	Zoned Multiple Use	Zoned (No Take Areas)	No Take	No Impact		
Little Talbot Island State Park	Located 20 miles east of downtown Jacksonville, bounded on north by Nassau Sound, on east by Atlantic Ocean, on west by Big Talbot Island State Park, and on south by Fort George Inlet.			▲	▲	●		●	●						FL Department of Environmental Protection, Park Service 850-245-2157 NE Region 352-955-2135 ----- On-Site Info: 904-251-2320
Back Bay National Wildlife Refuge	~5 miles south of city of Virginia Beach. Water areas at north end of North Bay. All waterways and islands between Shipp's Bay and Red Head Bay (Great Cove, Great Narrows, Little Narrows, Bonney Cove, and Sand Bay).			■	▲	●		●		●					FWS HQ 703-358-1744, NE Region 413-253-8200; ----- On-Site Info: 757-721-2412.
Manatee Protection Zones	~20 distinct zones located along both coasts, throughout central and south FL. For protection of manatees from boat impacts. Zones distinguished by maximum speed allowed in the zone.	▲		▲	▲	●			●						FL Fish and Wildlife Conservation Commission, Imperiled Species Management Division 850-922-4330
Manatee Safety Havens	~18 various areas within manatee's range and intended to protect manatees from boating.	✕	✕			●								●	FL Fish and Wildlife Conservation Commission, Imperiled Species Management Division 850-922-4330
Washington Oaks State Gardens	Located between the Intracoastal Waterway and Atlantic, 20 miles south of St. Augustine.			▲	▲	●		●	●						FL Dept of Environmental Protection, Park Service 850-245-2157 Central Region 407-884-2000 ----- On-Site Info: 386-446-6780
North Peninsula State Recreation Area	Located along Halifax River five miles south of Flagler Beach in northeast Volusia County.			▲	▲	●		●	●						FL Dept of Environmental Protection, Park Service 850-245-2157 Central Region 407-884-2000 ----- On-Site Info: 386-517-2086
Gamble Rogers Memorial State Recreation Area at Flagler Beach	Located three miles south of Flagler Beach, east boundary is Atlantic Ocean, south boundary is a golf course.			▲	▲	●		●	●						FL Dept of Environmental Protection, Park Service 850-245-2157 Central Region 407-884-2000 ----- On-Site Info: 386-517-2086
Bulow Creek State Park	Located in northeast Volusia County and southeast Flagler County, eight miles north of Ormond Beach and 3.5 miles southwest of Flagler Beach, bounded on east by Bulow Creek channel.	✕		▲	▲	●		●	●						FL Dept of Environmental Protection, Park Service 850-245-2157 Central Region 407-884-2000 ----- On-Site Info: 386-676-4050
Canaveral National Seashore	~58,000 acres generally bounded on north by Bethune Beach, and south by JFK Space Center; Includes area transversed by Intercoastal Waterway, and Indian River Lagoon (N of JFK Space Center) and all of Mosquito Lagoon. Offshore boundary is ½ mile.	▲		▲	▲	●			●						National Park Service HQ 202-208-6843 SE Region 404-562-3100 ----- On-Site Info: 321-267-1110
<div>▲ Restricted – Activities that are fully or partially allowed and may have specific regulations or restrictions</div> <div>■ Prohibited – Activities that are not allowed unless authorized by permit</div> <div>● Applicable to this MPA</div> <div>✕ Data not available</div>

		Navigation		Fishing		Conservation/ Management Focus			Level of Protection							
		Vessel Traffic	Anchoring	Commercial Fishing	Recreational Fishing	Natural Heritage	Cultural Heritage	Sustainable Production	Uniform Multiple Use	Zoned Multiple Use	Zoned (No Take Areas)	No Take	No Impact		No Access	
Sebastian Inlet State Park	Located 18 miles south of Melbourne. Bounded on west by Indian River, on east by Atlantic, on north by Archie Carr National Wildlife Refuge, and on south by Pelican Island National Wildlife Refuge.															FL Dept of Environmental Protection, Park Service 850-245-2157 Central Region 407-884-2000 ----- On-Site Info: 321-984-4852
Oculina Bank Habitat Area of Particular Concern	Bounded by 28°30'N, by 27°30'N, on east by the 600-foot isobath, and by 80°00'W. Consists of two adjacent areas, the 1 bounded on by 28°30'N, by 28°29'N, by 80°00'W, and by 80°03'W; 2nd bounded by 28°17'N, by 28°16'N, by 80°00'W, and by 80°03'W.															National Marine Fisheries Service, Headquarters 301-713-2379 SE Regional Office 727-824-5305
Experimental Oculina Research Reserve	Located on Oculina Bank, ~20 miles off east coast of FL. Bounded by 27°53'N, by 27°30'N, by 79°56'W, and by 80°00'W.	X	X													National Marine Fisheries Service, Headquarters 301-713-2379 SE Regional Office 727-824-5305
Fort Pierce Inlet State Recreation Area	Located on and around a barrier island along Indian River north of Fort Pierce Inlet. Consists of two parcels, Fort Pierce Inlet and Jack Island.															FL Dept of Environmental Protection, Park Service 850-245-2157 Central Region 407-884-2000 ----- On-Site Info: 772-468-3985
Urca de Lima Underwater Archaeological Preserve	Located north of Ft. Pierce Inlet State Park and Pepper Park, ~600 feet offshore. Bounded by 900-foot radius around a point at 27°32.2'N, 80°17.9'W. Wreck lies in 10-15 feet.															FL Dept of State Bureau of Archaeological Research 850-245-6444
St. Lucie Inlet Preserve State Park	Bounded on east by Atlantic, on south by Hobe Sound National Wildlife Refuge, on north by St. Lucie inlet, and on west by Intracoastal Waterway.															FL Dept of Environmental Protection, Park Service 850-245-2157 SE Region 772-546-0900 ----- On-Site Info: 772-219-1880
Lofthus Underwater Archaeological Preserve	Located approximately ¼ mile north of Boynton Inlet and 525 feet off-shore of Manalapan.															FL Dept of State Bureau of Archaeological Research 850-245-6444
SS Copenhagen Underwater Archaeological Preserve	Located south of Hillsboro Inlet in Broward County, and bounded by 600-foot radius around a point at 26°12'20.94" N., 80°05'06.48"W.															FL Dept of State Bureau of Archaeological Research 850-245-6444
Florida Keys National Marine Sanctuary	Boundary encompasses ~2900 nm² of coastal and ocean waters surrounding FL Keys, from Biscayne Bay to Dry Tortugas.															National Marine Sanctuaries Headquarters Office 301-713-3125 ----- On-Site Info: 305-743-2437
Everglades National Park	At south tip of FL, and includes ~2000 nm² in region of Everglades of Dade, Monroe, and Collier Counties.															National Park Service HQ 202-208-6843 SE Region 404-562-3100 ----- On-Site Info: 305-242-7700
Great White Heron National Wildlife Refuge	300 nm² of water and unpopulated islands lying on north side of main chain of Lower Florida Keys, between Marathon and Key West. Additional refuge lands found on main chain of Lower Keys.	X	X													FWS HQ 202-208-6843 SE Region 404-679-7152 ----- On-site Info: 305-872-2239

MPA Site Name	MPA Description	MPA Restrictions of Interest to Mariners				MPA Management Approach								Managing Agency and Contact Information	
		Navigation		Fishing		Conservation/ Management Focus			Level of Protection						
		Vessel Traffic	Anchoring	Commercial Fishing	Recreational Fishing	Natural Heritage	Cultural Heritage	Sustainable Production	Uniform Multiple Use	Zoned Multiple Use	Zoned (No Take Areas)	No Take	No Impact		No Access
Bill Baggs Cape Florida State Park	Located on south end of Key Biscayne ~7 miles southeast of Miami. East, south and west boundaries are Atlantic and Biscayne Bay.														FL Dept of Environmental Protection, Park Service 850-245-2157 SE Region 772-546-0900 ----- On-Site Info: 305-361-5811
Crocodile Lake National Wildlife Refuge	Located in north Key Largo. Offshore area covers ~668 acres.	X	X												FWS HQ 202-208-6843 SE Region 404-679-7152 ----- On-Site Info: 305-451-4223
John Pennekamp Coral Reef State Park	Located on Key Largo, 20 miles southeast of Homestead, and extending three miles offshore. ~23 miles of shoreline. ~63,000 acres of offshore environment.														FL Dept of Environmental Protection, Park Service 850-245-2157 SE Region 772-546-0900 ----- On-Site Info: 305-451-1202
Biscayne National Park	Located at north extent of the FL Keys, and encompasses an area of 173,000 acres, of which 95% is marine.														NPS HQ 202-208-6843 SE Region 404-562-3100 ----- On-Site Info: 305-230-1144
Lignumvitae Key Aquatic Preserve	Located in upper FL Keys archipelago and lying between Upper and Lower Matakumbe Keys. Traversed from east to west by US Highway1, including three bridges and a causeway. Referred to locally as Indian Key Fill, ~4/5 th lies N of roadway.														FL Dept of Environmental Protection, Coastal & Aquatic Managed Areas 850-245-2094
Lignumvitae Key Botanical State Park	Includes Lignumvitae Key and Shell Key; located 1 mile west of Islamorada.														FL Dept of Environmental Protection, Park Service 850-245-2157 SE Region 772-546-0900 ----- On-Site Info: 305-664-2540
San Pedro Underwater Archaeological Preserve	Located 1.25 miles south of Indian Key and bounded by a 3000-foot radius around a point at 24°51.3'N., 80°40.6'W.														FL Dept of State, Bureau of Archaeological Research 850-245-6444
Curry Hammock State Park	Located just north of Marathon, includes all of Little Crawl Key and Deer Key and portions of Fat Deer Key and Long Point Key, and waters surrounding them to 400 feet offshore.														FL Dept of Environmental Protection, Park Service 850-245-2157 SE Region 772-546-0900 ----- On-Site Info: 305-289-2690
Bahia Honda State Park	Includes Bahia Honda Key and Little Bahia Honda Island, out 400 feet seaward.														FL Dept of Environmental Protection, Park Service 850-245-2157 SE Region 772-546-0900 ----- On-Site Info: 305-872-2353
Fort Zachary Taylor State Historic Site	The south most property in Key West, adjacent to Navy property JADF on east and Navy Mole/ Docks on northwest. Shipping channel into Key West Harbor leads directly towards park, then turns paralleling park's west shore.														FL Dept of Environmental Protection, Park Service 850-245-2157 SE Region 772-546-0900 ----- On-Site Info: 305-292-6713
Tortugas Marine Reserves	Located west of Key West and split into two distinct areas – Tortugas Marine Reserve North and South.														NMFS HQ 301-713-2379 NMFS SE Regional Office 727-824-5305
